DETAILED ACTION

1. Claims 1-39 are pending in the application.

Election/Restrictions

2. Restriction to one of the following inventions is required under 35 U.S.C. 121:

I. Claims 1-5, drawn to A composition comprising compounds of formula I, classified in class 546, subclass 88.

II. Claims 6-17 and 35-37, drawn to A composition comprising compounds of formula (II), classified in class 546, subclass 79.

III. Claims 18-22, drawn to An electronic device comprising atleast one layer comprising compounds of formula I, classified in class 252, subclass 301.17.

IV. Claims 23-34, 38 and 39, drawn to An electronic device comprising atleast one layer comprising compounds of formula II, classified in class 252, subclass 301.26.

3. The inventions I through IV as defined above are patentably distinct, each from the other since they are so divergent that a reference showing compounds of invention I would not render compounds of invention II or electronic devices of inventions III or IV prima facie obvious. Search required for e.g; compounds of invention I in class 546, subclass 88 is not the same search required for e.g; electronic device of invention III in class 252, subclass 301.17 and therefore, constitutes a burdensome search.

4. A telephone call was made to the applicant's attorney, Ms. Mary Ann Capria on March 10, 2004 to request an oral election to the above restriction requirement, but did not result in an election being made.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

5. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charanjit S. Aulakh whose telephone number is (571)272-0678. The examiner can normally be reached on Monday through Friday, 8:30 A.M. to 5:00 P.M..
